

Northville Department of Parks and Recreation Coaches Conduct and Ethics Policy

We appreciate your commitment and effort to our Youth Sports Recreation Programs. Many of these programs would not be possible without your contribution. You have assumed the important responsibility of teaching and mentoring the young people of our community. Recognizing this, the Northville Department of Parks and Recreation requests that all coaches read and sign this statement as a requirement to coach in our programs. Thank You!

I Will – At all times conduct myself in a manner that serves as a positive role model, treating each coach, player, official, parent and administrator with respect and dignity.

I Will – Protect the health and safety of all players in the league at all times and will use my good judgment to help make the experience for all players as positive as possible.

I Will – Cooperate with the administrator of our programs in the enforcement of the sport's rules and regulations and in the initiatives designed to increase the enjoyment of the sport by all players.

I Will – Plan all games and practices so that all players have an equal opportunity to improve their skill level through active participation.

I Will – Report to the administrator any situation that I observe which are detrimental to the goals set forth in this policy.

I Will - Learn the strengths and weaknesses of my players and place them in situations in which they will have fun and learn the fundamentals of the sport I am coaching. My emphasis will be on fun, participation and skill development and not on winning.

I understand that violating this Code and Ethics Policy may result in my being immediately removed as a coach from this league and will be precluded from coaching in future community sponsored programs.
